About us

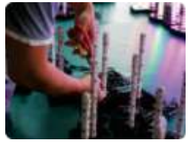

Based in Guzhen – China' s Lighting Capital, we specialize in high-end cordless table lamps, rechargeable wall lamps and rechargeable floor lamps for restaurants and furniture matching, with core markets across Europe and America. A trusted supplier to countless restaurants, we offer full design solutions, OEM/ODM services, dropshipping, Matter smart control and supporting systems (charging carts, call buttons).

Our commercial-grade lamps – distinct from consumer alternatives – feature patented easy-charging docks and tool-free installation, built for high-frequency restaurant use with enhanced durability, low maintenance and guaranteed quality.

Beyond OEM/ODM, we are your premium wireless lighting strategic partner, delivering smart convenience and understated luxury via Matter tech and easy-charging docks, leading the wireless-intelligent lamp trend. Certified by Matter, CE,Rohs, FCC, BSCI, our customizable, logo-branded products boost your brand value and also serve as ideal high-end corporate gifts.
